

# Einladung / Invitation

Mitgliederversammlung / General Assembly

and

Alumni-Treffen / Alumni Get-Together

---

8. 12. 2015, 18:00h  
MPQ Cafeteria.

Meet old friends and former colleagues, hear how they fared, put them up-to-date on developments at MPQ, and discuss ways in which MPQ could enhance and profit from contacts with its alumni.

## PROGRAM:

**18:00h** General Assembly (report by current board; election of a new board)

**ca. 18:30h** ... is there a life after MPQ – and if so: how is it?

DR. THORSTEN LÖWER

From the company's website: "pro-beam is the world's largest electron beam technology manufacturer, employing 249 staff in production sites in Germany (4) and China and technical sales branches in the United States and France."

DR. THOMAS BECKER

From the company's website: "HEIDENHAIN GmbH develops and manufactures linear and angle encoders, rotary encoders, digital readouts, and numerical controls for demanding positioning tasks. HEIDENHAIN products are used primarily in high-precision machine tools as well as in plants for the production and processing of electronic components."

**ca. 19:30h** discussion, conversation, some Pizza and beverages are provided
